Consistent with this policy of non-discrimination, SafeFoodTest.com will provide reasonable accommodations to a qualified applicant/student with a disability, as defined by the ADA, who has made SafeFoodTest.com aware of his or her disability, provided that such accommodation does not constitute undue hardship on SafeFoodTest.com. These accommodations will be made in a timely matter and on an individualized and flexible basis.

Upon receipt of an accommodation request, a representative of SafeFoodTest.com will meet with the applicant/student to discuss and identify the precise limitations resulting from the disability and the potential accommodation that SafeFoodTest.com might make to help overcome those limitations. SafeFoodTest.com will determine the feasibility of the requested accommodation considering various factors including but not limited to the nature and cost of the accommodations and the impact on the ability of SafeFoodTest.com to conduct business. If the request is denied on appeal, that decision will be considered final. The ADA does not require SafeFoodTest.com to make the best accommodations, or to provide personal use items (i.e., eyeglasses, hearing aids, wheelchairs etc.).
